

# Introduction

Digital systems and services are the characteristic of this era, the increase and diversity of communication devices and the internet as well as its continuous development is one of the main factors to call it the «digital» era.

This continuous overlap and rapid development in the fields of technology and communication created new and different challenges in the world, especially in the field of business and services, made it important to have the knowledge of how to deal with them and find solutions to ensure the continuity of your business

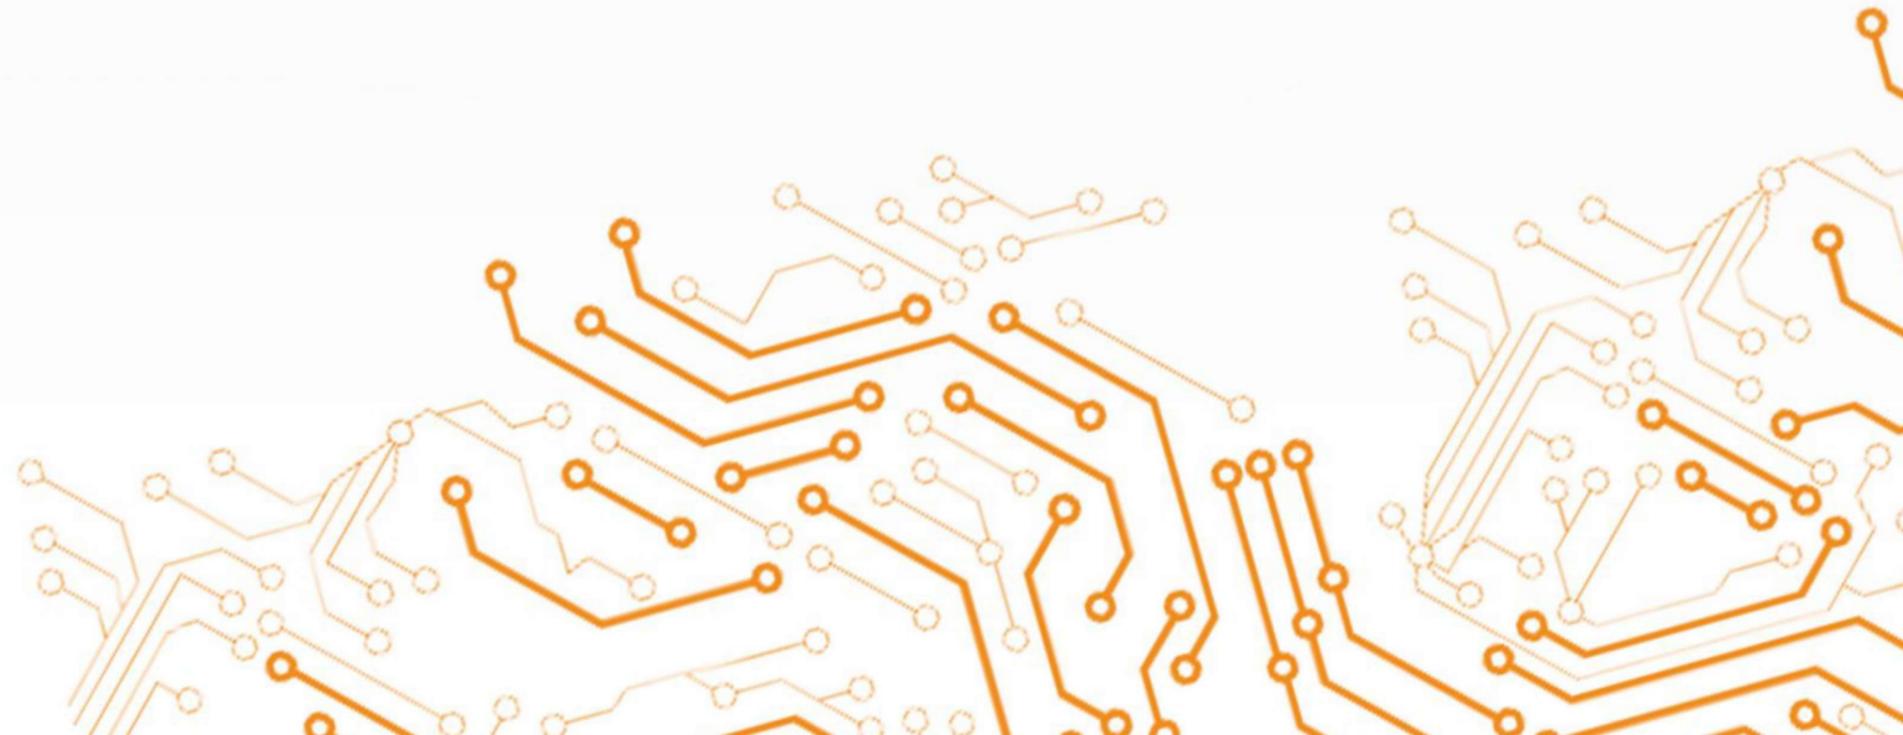

The logo for DUO LINK features the word "DUO" in a stylized font where the letters are interconnected. The "D" is blue, the "U" is orange, and the "O" is red. Below "DUO" is the word "LINK" in a bold, blue, sans-serif font.
